WEEK THIRTY-ONE!

FIELD TRIP!

Fourth graders will be taking a field trip to the Lincoln Museum on Monday, May 2nd. Students will need to be at school by 7:50am. **Parent chaperones are welcome!** Anyone who would like to chaperone should let me know via email, note, phone call, class dojo message, etc. Parents who do chaperone will be expected to drive separately (can carpool together) and to pay a \$12 adult entrance fee at the museum. More information will be coming home this afternoon!

Spirit Week

(celebrating the end of PARCC testing!)

Monday – PJ day

Tuesday – Crazy Hair

Wednesday – Retro

Thursday – Favorite Character

Friday – Unity day

SPELLING BEE

After we finish our last week of spelling (week 30), we will be reviewing all of the spelling words we've learned this year. To encourage this, the fourth grade has a spelling bee the last full week of school. We will have a semi-final spelling bee in the classroom the week before the spelling bee, and the top 4 contestants will move on to the finals! Parents are welcome to come and watch the spelling bee.

In grammar, we gave our speeches! Students did a really nice job, and specifically focused on making eye contact. I was very proud with how well they did. Speeches are graded and those rubrics are already returned, so keep an eye out for those at home!

We survived PARCC testing! Not only did we survive, but we focused and tried our very best! Thanks for the snacks!

Important Dates

April 16: Family Fun Day

April 25-29: PARCC make-up testing

April 25-29: Spirit Week

May 2: Field trip (Be at school by 7:50)

May 4: Elementary Track Meet

May 18: Wax Museum

50 STATES AND CAPITALS TEST!

Soon, students will be taking their 50 states and capitals test. The test is currently set for Wednesday, May 13. To ease the stress of this test, please encourage your child to begin studying! Twenty minutes a night will pay off big time! Flashcards have been up on the website.
