WEEK THIRTY-FIVE!

This is our last newsletter of the year!

FUN DAY

Fun Day is on the last day of school, Monday, May 23rd. This day will be ran like a typical school day, so any parent volunteers must sign in at the office.

Disney Party!

Students are celebrating that they have "walked to Disney" through the course of the year! Students can dress up in Disney gear and will be given a theme park inspired snack in the afternoon.

Next week, I will be sending out an email to all parents that will include a very quick survey asking for feedback about different things that I have done throughout the year. As a first year teacher, I have tried many different things to help you and your students as much as possible. Looking to next year, I want to continue to do the things that worked and spend my time on more valuable things in place of those things that didn't work. I would so greatly appreciate it if you would take a few minutes to submit it!

BOOKS!

Library books from the school library must be returned by Friday, May 13th.

Books from my classroom must be returned by

Wednesday, May 18th.

Please check at home to make sure that all of the books are returned! I do my best to keep my library updated so that your students can find books they enjoy, and getting those back is important for next

EARTH DAY PICKUP

Students will spend thirty minutes next Wednesday weeding, mulching, and planting the beds at the front of the school. This is a great way to do our civic duties.
